The General Assembly,

Having considered the item entitled “Questions considered by the Security Council at its 838th meeting on 7 August 1958”,

Noting the Charter aim that States should practise tolerance and live together in peace with one another as good neighbours,

Desiring to relieve international tension,

I

1. Welcomes the renewed assurances given by the Arab States to observe the provisions of article 8 of the Pact of the League of Arab States that each member must respect the systems of government established in the other member States and regard them as exclusive concerns of these States, and that each shall pledge to abstain from any action calculated to change established systems of government;

2. Calls upon all States Members of the United Nations to act strictly in accordance with the principles of mutual respect for each other’s territorial integrity and sovereignty, of non-aggression, of strict non-interference in each other’s internal affairs, and of equal and mutual benefit, and to ensure that their conduct by word and deed conforms to these principles;

II

Requests the Secretary-General to make forthwith, in consultation with the Governments concerned and in accordance with the Charter, and having in mind section I of this resolution, such practical arrangements as would adequately help in upholding the purposes and principles of the Charter in relation to Lebanon and Jordan in the present circumstances, and thereby facilitate the early withdrawal of the foreign troops from the two countries;
