Noting, in line with the Secretary-General's letter of 10 June 2025 ([S/2025/371](#)) that the evolving context within Hodeidah and across Yemen, as well as the wider region and internationally, could create opportunities for further efficiencies and structural coherence and coordination across United Nations missions in Yemen,

2. *Requests* the Secretary-General prepare, in consultation with the Yemeni parties, a transition and liquidation plan for UNMHA to start the transfer of its residual functions to The Office of the Special Envoy of the Secretary-General for Yemen (OSESGY), as well as the orderly and safe drawdown and withdrawal of its

4. *Recognizes* that the safety of UN personnel remains of the utmost importance and calls on the Houthis to enable a safe and secure operating environment including through the immediate and unconditional release of all those detained;

5. *Decides* to remain actively seized of the matter.
